

The Wornica Watch

Gary and Bettina Wornica

Missionaries to Latin America

Fall 2011

Where Has 2011 Gone? The Good News..

It is simply wonderful to invest our lives throughout Latin America in teaching, preaching and mentoring. Our hearts cry out "THANK YOU JESUS" for Your faithful guidance and provision as we look back over our four-year term that concluded in July. There were many times that we did not know how we would pay the airfare, but without exception, THE LORD PROVIDED!!! Thank you for praying! Thank you for giving! Thank you for your support!

Gary ministered in Peru in February and in Colombia in June. In July we starting traveling every weekend to Illinois for itineration. Everyone is excited to hear about the great revival in Cuba and how Latin America Theological Seminary (LATS) is making a difference there!

We are encouraged as Allen Martin became the new president of LATS in October and Donna Bustos became the new academic dean in November. LATS now has over 1,000 students in 21 countries.

Training leaders is reaping a harvest! It is God's strategic plan to reach the lost "by teaching them to observe all that I have commanded you." Every leader that we train reaches and reaches and reaches....

We wish there was only good news to share, but there is also some "not so good news" (or a challenge) on the next page...

WE ARE SCHEDULING SERVICES FROM JANUARY THROUGH JULY OF 2012

The Challenge Ahead For Healing and Finances

Bettina and Gary Wornica
Latin America

Now Married for 30 Years!

During his furlough physical a problem was found in Gary's prostate (stage 2 cancer). Thankfully, it was detected early! Gary will undergo prostate surgery on December 12th and every indication from the doctor is pointing to a cancer-free full recovery.

Please pray for us to have peace and complete healing as we walk through this trial. This is a challenge for us.

WE NEED YOUR HEALING, OH LORD!

We also ask you to pray for the financial provision for our family and ministry. During the past four years we lost about \$1,000 of monthly support, mainly due to our change of assignment that required us to be based in the U.S., even though our ministry is more strategic today and having a greater impact in Latin America than ever before.

It was truly a miracle to finish our term at a zero balance! Now, our new budget has also gone up \$1,000 per month so we must raise a total of \$2,000 of new support by July 2012. This is a challenge for us.

WE NEED YOUR PROVISION, OH LORD!

Would you help by sending a one-time offering as indicated below?

Would you help by making a new monthly pledge or increase your present commitment? Just fill out the enclosed pledge form and mail it to AGWM. **THANK YOU!!!**
